22 ft. wide and up, recommended to use 12 Gauge steel tubing for framing. Extra trusses may be required for heavy snowload. Prices subject to change without notice. Check before purchase to ensure building meets your LOCAL codes. (*1) 2-1/4" 12 Gauge, 20 year limited warranty on rust through of framing assuming normal user care & maintenance (*2) Delivery and installation included on flat leveled land (no slope). Units installed on unlevelled ground will have spacing between base rail & ground. The Carport Co. and/or their manufacturer are not responsible for any spacing being filled, or ground work being done. If extra work is needed due to ground being unlevelled more than 3", an extra charge will incur.
